1. CHRISTMAS AND NEW YEAR MESSAGE

Dear Parents and Guardians,

As KEMZ Academic Centre, we extend our heartfelt wishes to you and your families for a Merry Christmas and a Prosperous New Year 2026. May this festive season bring you joy, peace, and renewed strength.

As we step into 2026, we pray that the year brings positive change, good health, success, and abundant blessings to each of you. Thank you for your continued support and partnership throughout the year.

Compliments of the Season!

Warm regards,

KEMZ Academic Centre - Management

2. LETTER OF APPRECIATION TO THE PARENTS, GUARDIANS AND TEACHERS

Date: 05th December, 2025

Dear Parents, Guardians, and Teachers,

As we come to the close of another remarkable academic year, I would like to extend my heartfelt appreciation to each one of you for your unwavering support, dedication, and hard work throughout 2025.

To our parents and guardians, thank you for standing with us once again and for entrusting us with the education and moral growth of your children. Your cooperation, encouragement, and sacrifice have been the foundation upon which KEMZ Academic Centre continues to thrive. Despite the challenges that the year presented, your commitment has remained steadfast, and for that, we are deeply grateful.

To our teachers, I wish to express my sincere gratitude for your tireless efforts, professionalism, and devotion to duty. Your passion for teaching and your resilience in shaping young minds have continued to define the excellence that KEMZ Academic Centre is known for. You have not only imparted knowledge but also inspired confidence and discipline in our learners.

As we now look forward to the year 2026, let us continue in this same spirit of unity, hard work, and determination. With God's guidance, may the coming year bring new achievements, continued growth, and greater success for our learners and for the entire KEMZ family.

May the Almighty God bless you all abundantly. With warm regards and Kozoo!

By Mr Mayungo Kennedy

SCHOOL DIRECTOR

3. SPIRITUAL INSIGHT

"But those who trust in the Lord will renew their strength. They will soar on wings like eagles; they will run and not grow weary, they will walk and not faint."
— Isaiah 40:31

As we close the year, this verse reminds us that trusting God gives us renewed strength. No matter the challenges faced in 2025, God has carried us through, and He will continue to guide us as we enter 2026. May we step into the new year with faith, hope, and confidence in His unfailing support.

Short Prayer

Lord, thank You for Your protection this year. Renew our strength and guide the entire KEMZ family in the coming year. Amen.

By Mr Sikazwe Nivas

4. SCHOOL WEBSITE LAUNCH - 2026

In a quest to expand our audience, coverage and improve our service delivery, the school decided to open a school website which is already running currently and yet to be officially launched.

Once launched and active, the school website / internet cafe will help learners from Kemz Academic Centre, as well as learners from other schools in our vast community to access internet services to support their education through research, have access to online educational materials and join online classes from our school website especially during holidays. Other services from the website will include online registrations, online results download and online help centre for parents / guardians.

In line with the new Competence Based Curriculum (CBC) rolled out in 2025 - emphasizing much on competences, this project will help learners to get acquainted with technology and acquire the necessary skills in Information and Communication Technology (ICT).

The website will be launched next year on 28th March, 2026. Venue: Pilgrim Wesleyan Church, time: 13:00 - 16:00 hours

All parents, and guardians will be requested to attend and support the program with a minimum contribution of K50.00 or more.

For more information on the said school website, kindly visit; www.kemzonline.com

For / on behalf of ICT Department

7. SCHOOL DEVELOPMENT

7.1. LUSAKA CAMPUS

Our school keeps on growing every year. In 2025 we have experienced yet again another tremendous growth noted by the rise in numbers of learners. Due to this, there has been need for enough classes to cater for the rising number of learners. As such, the school embarked on another developmental project of expanding the school.

Behind KEMZ A, another block was constructed and it's near completion. Probably, by term one of 2026, we are likely to wind up on this project. Once done, the school will embark on yet again another project. Even as the school keeps on growing, we remain focused and continue to maintain the standard by ensuring a low teacher pupil ratio to avoid compromising on quality education. This is the reason why we are always in a quest to expand the school in order to serve you better.

By Mr Siabwizu
SENIOR TEACHER - KEMZ B

7.2 MUMBWA CAMPUS

Mumbwa campus keeps on growing too. There has been a rise in the number of learners. This compelled us to keep on adding more building blocks in order to cater for the rising number. Another block was built this year. Further, there were some renovation done to the old building block which was raised a little bit higher in order for it to reach optimum standard. As it stands now, the school which has been under construction for 3 years, will be winding up on building by next year. Only a few final touches like applying the floor and plastering of the building are remaining.

By Mrs Musompo M. Mushika

SCHOOL MANAGER - Mumbwa Campus
